

# PRICING & FUNDING OPTIONS

Districts may use federal and state funding sources in addition to local funds to purchase DMAC Solutions. Options include:

- Title I, Part A
- Title I, SIP
- Title I, Part F
- Title II, Part A
- Title II, Part D
- Title III
- Title V
- Title VI, Rural Schools
- State Technology Allotment

## What to Consider?

Some components of the DMAC Solutions may not be eligible under some funding sources. Since training is part of the DMAC Solutions contract, 100% of the software components can be paid for with Title II, Part D funding. Districts will need to include the implementation and staff training of these programs in district and campus improvement plans if any of the above funding sources are used.

Please call for information and guidance in purchasing our software with state and federal funds.
