

**Literacy Series:**

Participants will investigate the overarching theme and genre, academic vocabulary and questioning for the six weeks. Questioning connections will include student responsibility in key understandings developed before, during, and after lesson. Sample framework and questioning will be produced by the end of the session.

CSCOPE & Balanced Literacy Institute:

Do you need assistance in having a clearer understanding of the four ELAR components used in CSCOPE? This three-day training is designed to give participants in-depth knowledge of how Word Study, Shared Reading, Independent Reading and Writing are needed to give balance within our ELAR TEKS. Participants must attend all 3 days.
